

Thank you for using the Mobile Money Services ("Services") and any related Software ("Software") provided by Soy Capital Bank and Trust Company ("Financial Institution") combined with your handheld's text messaging capabilities. By participating in the Services or using the Software, you are agreeing to the following terms and conditions, in addition to any terms and conditions to which you have previously agreed with respect to the underlying electronic banking and billpay services of which the Service is a part. Financial Institution in its discretion may modify these Terms and Conditions at any time. Standard messaging charges apply.

Terms and Conditions:

a. Program: Financial Institution offers their customers mobile access to their account information (e.g., for checking balances and last transactions) over the Short Message Service (SMS), as well as the option to set up alerts for their accounts (e.g., low balance alerts). Enrollment requires identification of the user's banking relationship with Financial Institution as well as providing a mobile phone number. The mobile phone number's verification is done by the user receiving an SMS message with a verification code which they will have to enter on the website. Additionally, customers may select the type of alerts and other preferences which will determine, together with their account data, the frequency of alerts delivered to the customer. This program will be ongoing. Standard messaging charges apply. Customers will be allowed to opt out of this program at any time.

b. Questions: You can contact us at www.soybank.com or 1-888-769-2265, or send a text message with the word "HELP" to this number: 96924. We can answer any questions you have about the program.

c. To Stop the program: To stop the messages from coming to your phone, you can opt out of the program via SMS. Just send a text that says "STOP" to this number: 96924. You'll receive a one-time opt-out confirmation text message. After that, you will not receive any future messages.

Alerts. Your enrollment in Soy Capital Bank and Trust Online Banking and/or Mobile Banking (the "**Service**") includes enrollment to receive transaction alerts and notifications ("**Alerts**"). Alerts are electronic notices from us that contain transactional information about your Soy Capital Bank and Trust account(s). Alerts are provided within the following categories:

- **Mandatory Alerts** provide you with important account notifications, such as information about changes to your Online Banking password, PIN, or login information. You do not have the option to suppress these Mandatory Alerts.
- **Account Alerts** provide you with notification of important account activities or when certain changes are made to your Service accounts. These Alerts are automatically activated for you. Although you may suppress these Account Alerts, we strongly recommend that you do not do so because they provide important information related to your Service accounts.
- **Additional Alerts** must be activated by you to be enabled. These Additional Alerts can be accessed from the **More menu** within Soy Capital Bank and Trust Mobile Banking.

Account Alerts and Additional Alerts must be managed and/or added online through the Service. You cannot maintain all Alerts through your mobile device. We may add new Alerts from time to time, or cancel old Alerts. We usually notify you when we cancel Alerts, but are not obligated to do so. Soy Capital Bank and Trust reserves the right to terminate its Alerts service at any time without prior notice to you.

Methods of Delivery. We may provide Alerts through one or more channels (“**EndPoints**”): (a) a mobile device, by text message; (b) a mobile device, by push notification; (c) an email account, by an e-mail message; or (d) your Soy Capital Bank and Trust Online Banking message in-box, by an e-mail message. You agree to receive Alerts through these EndPoints, and it is your responsibility to determine that each of the service providers for the EndPoints described in (a) through (c) above supports the email, push notification, and text message Alerts provided through the Alerts service. Please be advised that text or data charges or rates may be imposed by your EndPoint service provider. Alert frequency varies by account and preferences. You agree to provide us a valid mobile phone number or email address so that we may send you Alerts. If your email address or your mobile device’s number changes, you are responsible for informing us of that change. Your Alerts will be updated to reflect the changes that you communicate to us with regard to your primary and secondary email addresses or mobile device number.

Alerts via Text Message. To stop Alerts via text message, **text "STOP"** to 96924 at any time. Alerts sent to your primary email address will be unaffected by this action. Our participating carriers include (but are not limited to) AT&T, SprintPCS, T-Mobile®, U.S. Cellular®, Verizon Wireless, MetroPCS.

Limitations. Soy Capital Bank and Trust provides Alerts as a convenience to you for information purposes only. An Alert does not constitute a bank record for the deposit or credit account to which it pertains. We strive to provide Alerts in a timely manner with accurate information. However, you acknowledge and agree that your receipt of any Alerts may be delayed or prevented by factor(s) affecting your mobile phone service provider, internet service provider(s) and other factors outside Soy Capital Bank and Trust’s control. We neither guarantee the delivery nor the accuracy of the contents of each Alert. You agree to not hold Soy Capital Bank and Trust, its directors, officers, employees, agents and service providers liable for losses or damages, including attorneys’ fees, that may arise, directly or indirectly, in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or incomplete content in an Alert; or (c) your reliance on or use of the information provided in an Alert for any purpose.

Alert Information. As Alerts delivered via SMS, email and push notifications are not encrypted, we will never include your passcode or full account number. You acknowledge and agree that Alerts may not be encrypted and may include your name and some information about your accounts, and anyone with access to your Alerts will be able to view the contents of these messages.

All Online Banking users with Mobile Banking over the age of 18 can use Mobile Deposit, subject to approval.

Endorsements must be made on the back of the check within 1 ½ inches from the top edge, although we may accept endorsements outside this space. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other marking by you will be your responsibility. A check payable to two payees must be endorsed by both payees. If the check is made payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.

In addition you agree that you will not modify, change, alter, translate, create derivative works from, reverse engineer, disassemble or decompile the technology or Service, copy or reproduce all or any part of the technology or Service; or interfere, or attempt to interfere, with the technology or Service.

Write "For SCB Mobile Deposit Only" at the top of the back of the check, endorse by signing the payee(s) names as instructed above flatten it and unfold any folded corners prior to taking the picture. Take a picture of the entire check (front and back) using a dark, solid background in a well-lit area, making sure that all of the MICR digits at the bottom of the front of the check are visible and not blurred.

Deposits made from Mobile Deposit are limited to \$1,000 in a single deposit transaction and an aggregate total of \$2,000 per business day. We may impose limits from time to time on the amount or number of Electronic Check Deposits you are permitted to make. We may suspend, revoke, or terminate your ability to use this Service without prior notice for reasons including, but not limited to, suspected fraud; or checks returned as non-negotiable. You may not initiate Electronic Check Deposits from a location outside the United States. You may not deposit funds through Electronic Check Deposit Service that would cause your Mobile Account balance to exceed the maximum balance allowed on your Mobile Account. In addition, if we have notified you that you are terminated or suspended from using the Electronic Check Deposit Service, you may not submit a Check Image for depositing to your Mobile Account.

Retention of Original Check

You must store the check securely, using precautions at least as secure as you would use to protect blank checks. You must make the original paper check available to us at our request at any time. If you fail to produce the original check within 10 days of our request during the 30-day period, you authorize us to deduct the amount in question from you Mobile Account, regardless of whether such a deduction may result in a negative balance on your Mobile Account, and to pay any associated fees.
